No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon

by Ken Abraham

Buzz Aldrin Astronaut Apollo 11, Gemini 12 » No Dream Is Too High 11 Apr 2016 - 3 min - Uploaded by TechCrunch
When I met with Buzz Aldrin to discuss his new book No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon, we talked about his new book and his experiences on the moon. Buzz Aldrin is known for his event-filled life, and in this book, he shares his personal stories and life lessons from his journey to the moon. He reflects on the wisdom, guiding principles, and irreverent anecdotes from his life. Buzz Aldrin is one of the most iconic figures in space exploration, and his life story is a testament to the human spirit and the power of determination.

No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon

Buzz Aldrin shares personal stories and advice in his new book No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon. In this book, he reflects on his experiences on the moon, funding NASA, his mission to Mars, and the future of space exploration. Buzz Aldrin's event-filled life into a short list of principles he values, and he shares his experiences with the hope of inspiring others to pursue their dreams.

No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon

Buzz Aldrin is a true American hero, and his life story is an inspiration to all. In No Dream Is Too High: Life Lessons From a Man Who Walked on the Moon, he shares his experiences and wisdom with the hope of inspiring others to pursue their dreams. Whether you're an astronaut or just a dreamer, this book is a must-read.
