
2 The new five-volume Oxford History of the British Empire, over 3,000 pages in all. The second major theme of the Oxford History is the extent to which the Empire was a major new assessment of the Empire in the light of recent developments. Each of these areas is given four to five chapters and looked at from the standpoint of recent scholarship and the progressive opening of historical data.

4 The second major theme of the Oxford History is the extent to which the Empire was a major new assessment of the Empire in the light of recent developments. Each of these areas is given four to five chapters and looked at from the standpoint of recent scholarship and the progressive opening of historical data.
