The Curse of Cranford - Wikipedia

The White Cat is a 2017 horror video game developed and published by the Belgian studio Colopl. It was released for Android and iOS devices on October 28, 2017.

The White Cat is a game of horror and survival in which the player takes on the role of a cat named Lilla Roger, who has been transformed into a human by an evil sorcerer and must escape the clutches of the malevolent entities that surround her. The game features a variety of enemies, including ghosts, demons, and other supernatural creatures, as well as beautiful and atmospheric environments.

The game's graphics are highly detailed and realistic, depicting a dark and steampunk-inspired world filled with intricate mechanisms and machinery. The sound design is also impressive, with a soundtrack that perfectly complements the game's atmosphere.

The game received mostly positive reviews from critics, who praised its engaging gameplay and memorable characters. However, some players found the game's difficulty level to be too challenging, and a few criticized the game's relatively short length.

In conclusion, The White Cat is a captivating and well-made game that is sure to appeal to fans of horror and adventure genres. With its stunning visuals and immersive gameplay, it is a game that is worth checking out for anyone who enjoys horror-themed games.
